

## CERTIFICATE OF CONFORMANCE

**Agilent Product Name:** 250 $\mu$ L insert, polypropylene 100/PK

**Agilent Part No:** 5182-0549

**Certificate Date:** September 28<sup>th</sup>, 2017

### Quality Statement

This product is certified and guaranteed to be fully compatible with all corresponding Agilent vials and closures. All lots of this product have been manufactured under a Quality Management System registered to ISO 9001. All polypropylene inserts are manufactured in a clean environment using virgin polymers, where available, and or, analytical grade materials. This product was manufactured to meet a number of critical specifications created by Agilent engineers to ensure a perfect fit with instrumentation.

### Quality Test Results

Critical Dimensions	Insert Length	Pass
	Insert OD	Pass
	Insert ID	Pass
Optoelectronic Inspection	100%	Pass
