

Accessories | Syringe racks

A must for every laboratory.

Features and benefits

These syringe racks will organize your syringes and ensure that they don't roll off the bench or instrument and break.

Recommended applications

For holding SGE syringes, eVol syringes, and XCHANGE® syringes.

Product specifications

Durable metal rack holds up to six syringes, with a hanging length of 174 mm. Two types of racks are available, to hold standard SGE syringes up to 8 mm barrel OD; or 11 mm barrel OD syringes (standard SGE syringes, eVol syringes, or XCHANGE syringes).
